The D.C. Commissioner, Kuppoore reports on the following points and submits a copy of the mortgage Deed and a report from Mr. C. B. Seshagiri Rao on the present state of the villages, after inspection:-

A

1. Loan.

The amount of loan granted on 30.5.00, is Rs 48,000 on the security of the marginally noted villages -

2. Malegur
3. Sankahalli

Heggadadevana Kote TK

4. Jowdapere - Nanjangud TK

2. Conditions of the loan granted.

B

According to the mortgage Deed the conditions are:-

(a) In the 1st year (1899-1900), Vinè Subbanna to pay on 30th June the interest on the loan at 5%, for the months March, April, May and June.

(b) From the 2nd year onwards (for 18 years) to pay annually Rs 4,000/ (for 18 years) towards principal and interest

(c) On or before 30th June 1919 to pay the remaining balance.

(d) In default of payment of any one instalment, to pay interest at 12% ~~within 6 mths~~ from the date of its falling due up to the date of payment.

(e) If such instalment is not paid within 6 months from the due date of the remaining portion of the loan and interest at 12% thereon to be paid in a lump.

3- Portion of the loan repaid—

Vinê Subbanna has made only two payments – viz

2.	On 23d Aug 1900 —	250-0-0

Mr. B. Seshagiri Rao, in his report, says that Subbanna when asked for the payment of the instalments, alleges that Rs 10,000/ or so is due to him by Govt on account of the Excise Revenue of the Inam Villages C.

and that it should be credited towards the loan, but Subbanna has not shewn the amount or something like it, as due to him, that his claim for Excise revenue of Jowdagere is pending before the Sub-Division Officer, French Rocks, and as regards his claim in respect of the other villages, he has not appeared to establish his claim notwithstanding the special notices served on him.

4. The Management and present State of the villages -

C.

After personal inspection Mr. Seshajiri Rao reports that the revenues of the Village amount to Rs 3,946-13-4, that the management is most unsatisfactory, that one Shanbhog Lakshminarayanappa the inamdars agent for Chakkur, Maleyur and Sankaballi says that all accounts have been destroyed by fire and the Inamdar has no accounts, that his agent ab

Gowdegere, a relation of his, holds several lands in the village but has not paid the assessment for years.

Mr. Shesh Agiri Rao is of opinion that the management of the inam villages should be taken over by Govt.

Points for orders—

1) whether, under the circumstances the additional loan of Rs 7,000/- prayed for can be granted.

2) whether the management of the villages may not be assumed by the Govt.

In October 1896 Veene Bakshi Subbianna applied to Govt. for a loan on the security of the marfeeally inam Sarvamanya villages to enable him to liquidate the debts contracted by him and his ancestors.

He also submitted two lists, one showing his liabilities amounting to Rs. +75,408 & another showing the annual income of his Inam villages amounting to Rs +6275.

In April 1898 the Dy. Comr. to whom the above matter was referred, reported that the annual income of the above villages would amount to Rs. +4,750, which would represent the amount of interest @ 5% on a capital of Rs. 95,000, which might be taken as the value of the said villages and that allowing a sufficient margin for fluctuations in the revenues and for an annual payment towards the liquidation of the principal, 3/4 of the above amount or 70,000 might be advanced as a loan @ 5% interest per annum on the security of the villages -

In July 1901 Subbanna applied for a forbl loan of Rs. 7000 @ Rs. 3% interest and stating that the amount might be deducted from the 8 or 10 thousand Rs. of excess revenue due to him by govt. and from the income of a Vritti belonging to him, worth Rs. 5000 in Kapisthala, Tanjore, or from the income of the villages hypothecated; that, in addition to the property hypothecated to govt. and that reserved for his maintenance, he owned a house in Kumbakonam Fort, a paddy field in Ranganathapuram, T. He further prayed that the property hypothecated to govt. might be taken under its management till the amount advanced to him together with interest was cleared, or till his son attained the age of majority and was fit to manage it for himself.

The Secretary in submitting the papers to the Dewan Councillor observed:-

"I am not sure that a loan can be granted at present. But the question of assuming management may be considered".

Whereupon the 1st Councillor observed:-

"As this is a financial matter, I leave it to the pleasure of the Dewan as to whether funds will be available for the loan".

On this the papers were submitted to the Diwan, who ordered to call for a full report from the Dy. Collr. as to how the loan already granted stood then (in January 1902), what portion of it had been repaid, what was the condition of the hypothecated property and was it well managed?

On the submission of the above to the Diwan, he orders as follows: -

"The proposal for additional loan may be rejected. But in the interest of Govt. on account of the large sum of money advanced, the management of the villages mortgaged must be taken up by Govt. as requested by the debtor. It is impossible and not advisable to recover the whole debt at once".

Assumption under Govt management of certain Inam Villages belonging to Vira Subbanna and mortgaged to Govt for a loan of Rs. 48,000.

Submitted to His Highness.)

This is a very simple question. About 47,272-15-6 are due from Vice Sobhana This loan was advanced to him in the year 1898 and little or nothing has been received from him He has agreed to give up his villages to Govt management and there are several precedents of this having been done.- Objection was however taken by the Dewan and he suggested that the amount of the loan might be received alone & the villages sold up- This is not very easy- The matter was discussed in Council and the unanimous opinion adopted was that the villages may be taken possession of by Govt

(m)

The legal aspect was discussed - and contrary to the practice now obtg with regard to other villages which have been under Govt Management for several

years it is now proposed that their
villages should be managed in accord
with the rules applicable to detached
villages - there are no distinct rules or
regulations expressly applicable to such
matters, but the custom has long established
a settled course of management under
which such villages after they are taken
possession of by Govt are treated as
Govt villages so long as they remain
in such possession - This has become
a sort of unwritten law and there is
no reason why it should not be adopted in regard
to the villages now under reference. A short
regulation may however be passed giving
power to make such rules as to introduce
any innovation - I would not make
any direction at present regarding the
mode of management. His Highness
may be pleased to sanction the proposal
of the villages be assumed by Govt -
and direct action being taken to deal
with the question of legislation - A large
sum of money is due and early and
prompt action such as has been recommended is very necessary. We cover it.

30.X1.03

P.S. I did agree in the Council that
the villages should be managed as detached
villages but on fuller deliberation I think

such a course will be attended
with not only inconvenience
but will introduce inconsistency
the split procedure seems therefore
to be worse than present practice

An order was accordingly issued rejecting the prayer of Veene Subbamma for an additional loan of Rs. 3000/- and directing assumption under Govt. management of the villages belonging to mortgagee Govt and this fact was intimated to Veene Subbamma by an Endorsement.

In reply Subbamma represents that if the Govt assume the management of the villages without granting him the additional loan his other creditors would be disheartened & push suits courts and process against his property. By this he would not only lose his property but would also lose his credit

He prays that on getting a correct estimate of the Value of his Inam villages and other properties and also their annual income they may be taken by taking them under Govt. management after granting him the additional loan applied for. or

If the mortgagee property be ordered to be left in his possession by crediting the Excise revenue due to him since 1891 towards the arrears of instalments due by him he would regularly pay the instalments every year regularly from the current year

Please see slip attached hereto. Ack contains the Secretary's order asking as to what became of the reminder & this pet.

The humble memorial of Vemay Bakshi Subbanna grandson of late Vemay Bakshi Venkatasubbia residing in the Fort of Mysore.

Most Respectfully Sheweth:—

That memorialist and his ancestors have long been faithfully attached to the Royal House of Mysore. Memorialist's grandfather was not only Bakshi of the Vemay department but was also at the head of the Civil administration of the Country during the distinguished reign of the late illustrious Krishnaraj Wodayar Bahadur and as such he rendered excellent services

P.T.O.

to which the Palace Records amply testify. In fact he was so much beloved by the said Maharaja that he regarded him as one of the members of the Royal Family, in testimony of which various autograph Firmans and letters are still in the possession of the Memorialist. In recognition of these valuable services Sayeres and rent free lands have been granted as Inams.

Memorialist's father was also Bakshi of the Vizag. department; after his demise Memorialist was appointed Bakshi on a salary of 15 Pagodas. — Memorialist's devotion & attachment to the late — Maharaja Chamarajendra Wodayer Bahadur G.C.S.I. may be well-known and still fresh to your Excellency. Memorialist's consolation — moments in the near — special presence of His late Highness had endeared him to august and kind-hearted Master so much so

that he was His Highness
inseparable servant. The
very sad loss of his Master
has been a source of con-
-tinual grief which even
time cannot efface, but
there is one consolation which
the Almighty Providence
has been gracious enough
to grant by the good fortune
of the people of this Country
as kind protectors and
benefactors in the persons
of H. H. the Maharani-Regent
and your Excellency whose
magnanimity of heart and
paternal solicitude towards
the millions of H. H's subjects
have contributed not a little
to make attempts to forget
the past to unsuccessful.

Memorialist has thus
been left in a forlorn con
-dition; added to which his
family affairs are in a
great confusion. His hopes
have been frustrated, that
little debts he had contract
-ed have grown enormously
heavy and attained gigantic
proportions by way usurious
interest and compound
interest. Memorialist finds
no other way of extricating
himself from his present
difficulties than that of
laying

laying himself prostrate
at your Excellency's feet
and crave your Excy's
generosity. Similar prayers
have also been made to H.H.
the Maharani-Regent.
Memorialist & his posterity
will ever gratefully remem-
-ber the benevolent help
which your Excy: may
be pleased to accord. Instances
are not wanting in which
your Excy's generosity has
been extended to several other
members of ancient noble
families like himself. By
upholding the cause of the
Memorialist - a scion of a
noble & respectable ancient
family in Mysore your
Excy's reputation shall not-
only stand indelible as long
as the Sun & Moon shall
exist in this world but also
your Excy: shall be entitled
to the choicest blessings of
Heaven.-

Your Memorialist humbly
submits herewith lists of his
assets & debts with a prayer
that your gracious Excy.
may be pleased to extend
the benefit of your Excy's Proceedings
generously made for the
amelioration of the condition
of members of ancient families.

For which act of benevolence
your Excy's Memorialist as in duty bound
shall ever pray. M. V. Subbamma 27/10/96

To

Her Highness
the Mahārāni Regent of Mysore C.I.
Camp Fort Hill
Ootacamund.

The humble Memorial of
Veeraya Bukshi Soobanna
Grandson of late Bukshi
Venkatasoobiya.

May it please Your Highness

1. That Memorialist applied for a State Loan on the 30th September 1896 and appended to his application a Statement showing the particulars of debts incurred by his ancestors and himself for his household management and of the assets owned by him, with a prayer that the liability may be caused to be defrayed and his estate managed by Your Highness' Government till such time that the loan which the Memorialist may be accomodated with is recovered with interest.

2. That Memorialist regrets that his application has not been granted though more than six months have elapsed since the date of his Petition. He however felt reluctant to move the matter now and again for fear that Your Highness might not like to be thus disturbed especially at a season when Your Highness' undivided attention was being constantly invited to serious domestic and State emergencies.

3. That Memorialist now craves pardon for the liberty of approaching Your Highness with this once again, as some of his Creditors who were making pressing demand for repayment of their loan money have sued Memorialist in Courts of Law. While others are about to do so sooner or later their object in the main being to get hold of early opportunities that come in their way to deprive Memorialist of the enjoyment of

the estate sacred and royal as the gift remains undisturbed to the present moment and try to sully the reputation earned by Memorialist ancestors and himself.

4 That fortunately for Memorialist the Civil Courts are closed for Summer recess and as such all endeavour on the part of the Creditors who have already sued Memorialist to do further mischief lie dormant for the time being while others anxiously await the re-opening of the Courts to seek similar redress.

5. That it is needless for Memorialist to reiterate the facts and circumstances fully set forth in his application adverted to above and to impress upon Your Highness the fact that unless Your Gracious Highness be favorably disposed to uphold his interests and deliver him from the clutches of his Mesnerers he finds no relief nor a personage Augustier than Your Royal Highness Self to whom he may next appeal for help

6. That Memorialist humbly solicits that the difficulties he is driven to realize may be taken into Your Highness' benign consideration and pass such order as Your Noble Highness deem expedient in his case and as would best calculate to thwart the sordid attempts of his Creditors to ruin his Estate and to shake the reputation earned by Memorialist family from ages gone by. A kind perusal of the copy herein enclosed of one of the several Firmans of the kind penned by the late Lamented Highness Sri Krishna Raj Wadayar Bahadur will, Memorialist submits, more than amply

convince Your Highness.

7 That Memorialist highly apprehends that he would be lost every way if Your Royal Highness do not feel disposed to grant his prayers or even allow the matter to lie over for a longer time, than is unavoidably necessary to pass final orders in his instance

Humbly trusting that the foregoing representation will not fail to receive Your Gracious Highness' merciful Consideration,

Memorialist begs leave to subscribe

Ever faithfully attached Servant

OFFICE OF THE Dy Commissioner

Dated Mysore 9 April 1898

To

The Secretary to the Government of Mysore,
General and Revenue Departments.

SIR,

With reference to your docket No 10570 / 96 dated 1st June 1897, forwarding a petition from M. V. Subbanna, Vunney Bukshi, Palace, Mysore, applying for a loan to enable him to liquidate the debts contracted by him and his ancestors and offering as security his Swamanyam villages of Chikkur, Maligur and Shenkahalli in the Heggadevankote taluk and Gondagere in the Nanjya taluk,

I have the honor to submit herewith the 1st Assistant Commissioner's memo on the subject together with connected papers as per docket attached.

The Gondagere village, mercy the Taluk was Rs 3756-2-3 in Rs 3703 in Kannada number as mentioned in the margin. Abstract Table 3. The Abkari Revenue of the last named village, includ= ding local cess has as per Taluk accounts varied from Rs 667-12-0 in 1893-94 to Rs 1354-11-0 in 1896-97 and given an average of Rs 1136-13-11 for the 4 years.

Ex

The revenue from this source (including local cess) for 1897-98 is shewn by the Amildar as Rs 483-7-6 which only represents the income from toddy shops, while the applicant has, evidently following the figures of the previous year, given it as Rs 1354-11-0 which is not borne out by the taluk accounts. The exact amount of toddy revenue derivable from the Inam village cannot be ascertained until the position and rights of Inamdars under the present tree-tax system are clearly defined.

4. The average annual income of Gondageri village from toddy may however be roughly estimated in round figures at Rs 1000. Adding this to the net revenue of Rs 3750 shewn in para 2 above, we get Rs 4750 as the basis for calculating the amount of loan that may be granted to the applicant. The said sum of Rs 4750 would represent

The

the amount of interest at 5 per Cent on a capital of Rs. 95,000 which may be taken as the value of all the 4 Inam Villages in question and allowing a sufficient margin for fluctuations in the revenues and for an annual payment towards the liquidation of the principal, 3/4 of this amount or Rs 70,000 in round sum may I think be advanced as a loan at 5 per Cent interest per annum on the security of the villages.

5. The list furnished by the applicant shows that he has contracted debts to the extent of Rs 75,188-8-5 and from the reports received from the Amildar of Nuggadevanahalli and Maundya talukes it would appear that 3 of the Villages, viz Malagur Shinkahalli and Gondagere have been

been mortgaged to private individuals for sums aggregating Rs. 28,000.

6. The enclosures of your docket under reply are herewith returned.

I have the honor to be,

To

Her Highness
The MahaRani Regent C. I
of Mysore

The humble Memorial of Veeru
Bukshi Saabanna grandson of
the late Bukshi Venkatasubbiya

Mayith please Your Highness

That Memorialist applied
for a State Loan on the 30th September 1895
and appended to his application a statement
showing the particulars of debts incurred by his
Ancestors and himself for his household mainte-
nance and of the assets owned by him with a
prayer that the liabilities may be caused to be
defrayed and his estate managed by Your
Highness Government till such time that the
loan which the Memorialist may be accommo-
dated with is recovered with interest.

2. That Memorialist regrets that
his application has not been granted tho' more
than six months have elapsed since the date
of his petition. He however felt reluctant to
move the matter now and again for fear that
Your Highness might not like to be thus disturb-
especially at a season when Your Highness' un-
divided attention was being certainly invited
to serious domestic and State emergencies.

3. That Memorialist now craves
pardon for the liberty of approaching Your Highness
with this once again as some of his creditors who
were making pressing demand for repayment
of their loan money have sued Memorialist
in Courts of Law. While others are about to
do so sooner or later - their object in the main
being to get hold of early opportunities that
come in their way to deprive Memorialist
of the enjoyment of the estate - sacred and royal
as the gift remains undisturbed to the present
moment and try to sully the reputation earned
by the Memorialists' ancestors and himself.

4 That fortunately for Memorialist

the Civil Courts are closed for Summer recess and as such all endeavour on the part of his Creditors who have already sued Memorialist to do further mischief lie dormant for the time being. While others anxiously await the re-opening of the Courts to seek similar redress.

5 That it is needless for Memorialist to reiterate the facts and circumstances fully set forth in his application adverted to above and to impress upon Your Highness the fact that under Your Gracious Highness be favorably disposed to uphold his interests and deliver him from the clutches of his Usurers he finds no relief nor a personage augustier than Your Royal Highness self to whom he may next appeal for help.

6 That Memorialist humbly solicits that the difficulties he is driven to realize may be taken into Your Highness' benign consideration and pass such order as Your Noble Highness deem expedient in his case and as would best calculate to thwart the sordid attempts of his creditors to ruin his estate and to shake the reputation earned by Memorialist family for ages gone by. A kind perusal of the copy herein enclosed of one of the several Firmans of the kind penned by the late lamented Sir Krishna Raj Wudayer Bahadur will Memorialist submits more than amply convince Your Highness.

7 That Memorialist highly apprehends that he would be lost every way if Your Royal Highness do not feel disposed to grant his prayer or even allow the matter to lie over for a longer time than is unavoidably necessary to pass final orders in his instance.

Humbly trusting that the foregoing representation will not fail to receive Your Gracious Highness' merciful consideration Memorialist begs leave to subscribe to a

Subbanna Vedavyas Bukshi of the Mysore Palace applying for a loan on the mortgage of his Sarvamanya villages, received with Secretary's docket no: 10,570 of 1st June 1897 and to request that a report may be furnished at an early date regarding the revenue and the market value of the main villages of Fl 496 - fered as Security. The gross revenue and expenditure of the villages should be ascertained in detail, from the Amildar, so as to determine the net increase derivable therefrom. The First General Asst.
Commissioner
Mysore.

Sir

With reference to your order No 382 Dated 23-6-97, forwarding copy of letter No 2825 dated 3.6.97 from the Deputy Commissioner, Mysore District, regarding the application of Mr. Vine Bakshi Subbanna asking for a loan of Rs. 75-188-8-5 from the Government, on the mortgage of his Inam villages in this Taluk, as well as in Nandya Taluk.—

II As directed in the above, I beg to submit herewith four Statements marked A B C & D, giving detailed information as to the receipts

receipts and expenditure of the three Sarvamanyam Villages noted in the margin, situated in Sargur Hobli, Heggaddevankote Taluk. Of these except Chekkur, other two Villages are under mortgage to one, Narayana Rao for Rs 15000, as per memorandum received by the Sub Registrar of Mysore Dated 9.10.95. This is included in the Schedule of debts presented by the applicant.

Chekkur (1)
Hadinigur (2)
Senkahalli (3).

III The Statement marked A, shows the total land revenue of the Land Villages prepared according to the Survey Settlement Accounts. The total area of the three Villages referred to above is 3358 acres, and 30 guntas, of which the cultivable area is — 2578 acres and 39 guntas, yielding a revenue of Rs 2507-0-0. To this must be added the total income derived from all the other sources Viz Rs 404-12-0, which can be seen by reference to Statement marked B. Thus the gross income

P1

of the three Villages in this taluk amounts to Rs 2911-2-0

IV. The total Expenditure as per Statement marked b, amounts to Rs 424-14-0

V. The expenditure referred to in the above para, be deducted from the total income of the Inam Villages, it leaves a balance of Rs 2486-14-0 which must be regarded as the net income of the Inam Villages

VI. To arrive at the approximate Value of the said Villages, if this loan be considered as a special one, as intended to relieve the distressed and embarrassed Inamdars, it may be safe to calculate the interest allowed in the Govt. Savings Bank at Rs 3-12-0 per cent per annum, as the bases for the present calculation. Thus it will be seen that the amount of Rs 2486-14-0, represents the interest for the capital of Rs 66316-10-0, which may be

Safely

Safely regarded as the Market Value of the Inam Villages referred to above. This Valuation will answer well in case these Villages were situated close to provincial towns, such as Bangalore or Mysore. But if the local Market Value of the said Villages, is to be fixed, I beg to submit that from the local information ascertained the Villages in question are estimated at Rs 50,000.

VII. There is scope to increase the present land revenue of the said Villages by improving a tank in Chekkur, which is badly in need of repair; if this is restored at a cost of about Rs 1000, it will bring about 60 acres of land under wet cultivation, which will yield a revenue of about Rs 240 per annum.

VIII The Statement D contains the demand, collection, and balance of the said Villages for the past 4 years from which it will be seen that there is an out-

standing

outstanding of arrears of Rs 5,09570-3; at present.

IX. The information contained in the Statement marked A, was prepared from the Survey Settlement account in this office, and that in B C & D from the information given by the Sanbhog, Lakshmi Naranappa of the said Inam Villages, and the same certified by the Sarvemanyandar Mr. Vire Bakshi Subbanna.

I beg to remain

Showing the net income
from the Inam village
of Vasud Bakali Subba
who has applied for a
State loan of Rs. 75,178

The applicant for
the State loan owns t
four Inam villages n
in the margin. Three
of these are situated
the Heggadadevankot
Taluk and the 4th in
the Nandya Taluk.
2. The Amildar of
Heggadadevankota ha
furnished detailed
statements and reports
on the gross and the
net revenue and the
market value of the
three Inam village
in his Taluk.

2. Moleyūr.

3. From the Land:

Revenue statement A submitted by the Amildar, it will be seen that the Land Revenue of the three villages in his Taluk is Rs. 2,507. The revenue from other sources is Rs. 404-12-" as per statement B of the Amildar. Thus the gross revenue of all the three villages together is Rs. 2911-12-". Statement C of the Amildar shows that the total annual expenditure of the three villages together is Rs. 424-14-". The net revenue of the three villages is therefore — Rs. 2,911-12-" minus Rs. 424-14-" or Rs. 2,486-14-"

The

4. The Amildar has estimated the value of the three villages at Rs. 50,000 according to local valuation and states that there is scope for extending wet cultivation and increasing the present revenue by about Rs. 250.

5. From the report of the Amildar of Mandy received through the Prantick, Sub Dorso officer, it will be seen that the gross revenue of the applicants' inam village (Gowdgéré) in his Taluk, is Rs. 1,250-9-4 (Land revenue and miscl items) plus Rs. 1,200 Abs. or Rs. 2,450-9-1-5 in all and that the expenditure is Rs. 175-8-0. Thus

Has this been collected?

net income of the villages comes to Rs. 2,283-9-5.

Therefore the applicants' net income from his four Inam villages is Rs. 2,486-14-0 plus Rs. 2,283-9-5 or Rs. 4,770-7-5 or Rs. 4,750 in round number.

6. For purpose of valuation of the villages, we may treat the net income of Rs. 4,750 as representing interest at 5 per cent per annum on the value of the villages and thus, we get Rs. 95,000 in round figure to represent the value of the 4 villages. Three fourths of this sum or Rs. 71,250 may be advanced as loan at 5 per cent on the security of

of the 4 villages or the round sum of Rs. 70,000.

7. If the 4 villages come under the management of Government and their net income of Rs. 4,750 be taken as the security by which the loan together with interest at 5 per cent is to be paid off, the amount (Principal + interest) will be re-paid in full in 22½ years. a few months more or less making no difference.

8. I have seen the three villages in the Begyadadevanakota Taluk and from the ricings of the standing crops which I observed on the

the time and
from local information
and other circumstances
such as the populousness
of the villages &c., I am
of opinion that these
villages are good security
for the loan. As regards
the villages in Mandya
Taluk, I have no personal
knowledge of it. From
what I hear that
village also is valuable.
4. Thus, a loan of
Rs. 70,000 invested
on the security of
the said 4 villages
does not seem to be
a risksome trans
action, while the
help thus rendered
to the applicant
appears to save him
from

from utter ruin
which it is said is
impending.

Letter No 1162 dated 9th April 1898 from the Deputy Commissioner of the Mysore District reporting on the petition of M. V. Subbanna, Vasu Bakshi, Palace, Mysore, for a loan of Rs 75788.8.5 on the security of his Inam Villages –

No 11914 & 20/6/98. Order Thereon, No. dated
C.F. 114-97. 20. Camp Mysore, 17th June 1898.

Government observe that the applicant owns four Suvarnamyam Villages namely Chekkur, Maligur Shenkahully, and Gondagere – The first three of These are situated in the Heggadadevankote Taluk, and the last in the

Mandya Taluk.

The Deputy Commr estimates their nel. income at Rs 4750, as per details in the margin and recommends the grant of a loan of Rs: 70,000, at 5% interest, on the security of the Villages -

Cherkkus -	Rs:	1573.	4.	0
Malingur -	"	794	12.	0
Shenkahalli	"	257.	14.	0
Gondagere —	"	1130	2.	3
Rough estimate of income from Toddy of Gondahare Village.	"	1000.	0.	0
Total		4756.	0.	3

The records received with the Deputy Commrs report go to show that of the four Villages offered as security for the loan, those of Malingur, Shenkahally and Gondagere are already under a mortgage, the first two to one Narayan Row for Rs 15,000 and the third to two individuals, viz, Marindinga and Narasimmiyar for Rs 8,000 and 5,000 respectively, the future liabilities on them thus amounting to Rs: 28000.

The exact amount of the Toddy revenue of the Gondagere Village would not be known as it entitled remain to be collected, & Govt are not prepared to hold that the net revenue from all the Villages in question is more than Rs 4000 - The maximum loan admissible under the Rules for the Village of Gondagere

Under such circumstances, Government consider it inexpedient to sanction any loan on the security of the villages already under encumbrance - A sum equal to twelve times the net levy on the unencumbered Village of Chekku can only be sanctioned, if the applicant so desires -

The Deputy Commr is requested to communicate these orders to the applicant -

To,

Offg Deputy Commissioner
Mysore District

Sir,

With reference to your docket No. 1749 of the 22nd January 1902, forwarding for report, a copy of the Secretary's docket No. 986 / R.T. 114-97 of the 15th idem, together with a petition from Veeré Bakshi Subbanna &c. applying for a further loan of ₹ 7000/— I have the honor to report as follows:—

A Sum of Rupees 48000/- was advanced to Subbanna on the 23rd March 1900. According to the terms of the bond executed by him on the 30th May 1900, the

Govt Proc. No. 4064-5 R.T. 114-97 dated 8th December 1898.

debt is payable by annual instalments of ₹ 4000/-. The bond provides that in default of payment of any one instalment within 6 months from the due date, the whole debt shall become payable at once with interest at 12 per cent from the date of default. The 1st instalment which was due on the 30th of June 1901 has not been paid, except to the extent of Rs 477 towards principal and ₹ 250 towards interest. Consequently the whole debt is now payable at once, with interest at 12 per cent from the date of default of payment, in full, of the 1st instalment.

Subbanna says that something like 10,000/- Rupees is due to him by Government on account of the Excise revenue of the (mortgaged property i.e.) Inam village and that that sum should be credited towards the loan account, but he has not shown that 10,000 Rupees or anything like it is due to him.

His Claim in respect of the Excise revenue of Gowdagere is said to be pending before the Sub Division officer, Yelandur, and he has not yet appeared before me to establish his Claim in respect of the Inam villages in the Hegadadevankote Taluk notwithstanding the Deputy Commissioner's notification published in the Gazette, and Special notices issued by me.

I have inspected the hypothecated property viz:- Gowdagere in the Mandya Taluk and Chakkur, Molegur and Sankalli in the Hegadadevankote Taluk and the accompanying abstracts (Nos 10-12) of village accounts show that the revenue of the villages is as follows:-

Chakkur	Rs	1594 - 14 - 3
Gowdagere	"	1240 - 12 - 7
Molegur	"	833 - 12 - 4
Sankalli	"	277 - 6 - 6
Total	Rs	3946 - 13 - 4
